

Song title **Feeling good has just begun**  
Like the sun-/rezz/ your mood

Song type NLP, stacking anchors

Style/Influence Pop, Funk

Lyrics	Ambiguities/Meaning/Understood as...	Presuppositions/	Embedded Commands	Other notes
Fresh and rested, I wake to the light The day's embrace warm, the view so bright Inside the garden, a cheerful bee Humming along, bloom to bloom with glee I said, Bee, so divinely full of yourself With such regard, in your own life	wake to the light/see the good the view so bright/positive outlook the garden represents inner self, cheerful be Hum along, flourish joyfully be... have regard in your own life/regardin' your own life (relate to this)		Wake to the light (see the good)  Be cheerful bloom with glee Be so divinely full of yourself	
Like the sun-/rezz/ your mood 'Cause I, like yourself, enjoy feeling good Go ahead, here, beat the drum 'Cause feeling good has just begun	Appreciate the sun-rays, Raise your mood I like you(r self), like yourself Literally about the drum, build momentum, commend this	You're feeling good, feelings will increase	like yourself, enjoy feeling good Go ahead, beat the drum	Implied causality pointing to previous line
Still inside the garden, so sweet Nourished by nature, roots running deep A mighty tree, branches far and high Each leaf connected, touching the sky Above and below, just imagine yourself Always nurtured, that's just life	You experience stillness inside(the garden) (noun+adjective), Still being there (adverb) Connected, figurative roots Strong and vital Connected Imagine it's you You're always nurtured, feel reassured		imagine yourself	
Like the sun-/rezz/ your mood 'Cause I, like yourself, enjoy feeling good Go ahead, here, beat the drum 'Cause feeling good has just begun	Appreciate the sun-rays, Raise your mood I like you(r self), like yourself Literally about the drum, build momentum, commend this	You're feeling good, feelings will increase	like yourself, enjoy feeling good Go ahead, beat the drum	Implied causality pointing to previous line
Here in the core, of the garden pristine Eternal presence, of nature serene Through cycles evolving, always here Each season brings, something to hold dear In this knowing, you find your true self That's just the way it is, in life	Listen deeply/Hear/here in the core of yourself The eternal presence of your own serene inner being You are evolving through the cycles of change and hear the eternal presence Good things are always happening  Feel certain of this	You are good (presupposed by positivity of song)		Garden still means inside
Like the sun-/rezz/ your mood 'Cause I, like yourself, enjoy feeling good Go ahead, here, beat the drum 'Cause feeling good has just begun	Appreciate the sun-rays, Raise your mood I like you(r self), like yourself Literally about the drum, build momentum, commend this	You're feeling good, feelings will increase	like yourself, enjoy feeling good Go ahead, beat the drum	Implied causality pointing to previous line
Look in the heart, of the garden, so true Where all hearts' desires, can come into view Anything you've longed for, yourself in your life Feeling good has just begun to thrive	Look truthfully inside your heart You become aware of them You've longed for yourself (your own wishes) Good feelings increase even more	There are desires of the heart (wholesome)		
Any love you've longed to feel Unfolds the grace that's truly real The vitality you want to achieve Expands the flow of life force received Creative expressions you seek Are facets, of your essence unique The abundance you truly want to attain Fulfills you in a way that's sustained				
Look in the heart, of the garden, so true Where all hearts' desires, can come into view Anything you've longed for, yourself in your life Feeling good has just begun to thrive	Look truthfully inside your heart You become aware of them You've longed for yourself (your own wishes) Good feelings increase even more	There are desires of the heart (wholesome)		Even more now after the Bridge above
Like the sun-/rezz/ your mood 'Cause I, like yourself, enjoy feeling good Go ahead, here, beat the drum 'Cause feeling good has just begun	Appreciate the sun-rays, Raise your mood I like you(r self), like yourself Literally about the drum, build momentum, commend this	You're feeling good, feelings will increase	like yourself, enjoy feeling good Go ahead, beat the drum	Implied causality pointing to previous line
